Wrong account in Zoom – change to Kau and login with KaulD

If you have acquired an account on zoom.us with your email address associated with Kau, you will receive an error message when trying to log in with KaulD. To change this, do the following:

1. Sign in at zoom.us with your email adress and the password you selected.

2. Click on ”Account Profile” in the left column.

3. Click on ”Terminate my account”.

4. Open up the Zoom-client and click on “Sign in”.

5. Enter “kau-se” and click on ”Continue”.
6. Select “Login with SSO”

7. Sign in with your KauID
